1. The Classic Ponytail

The classic ponytail is a timeless hairstyle that is not only quick to achieve but also versatile. It can be dressed up or down depending on the occasion.

How to Create a Classic Ponytail

1. Start with clean, dry hair. If you have time, a quick brush can help remove tangles.
2. Gather your hair at the back of your head, using your fingers to smooth any bumps.
3. Secure the ponytail with a hair tie, ensuring it's tight enough to hold but not so tight that it causes discomfort.
4. For a polished look, take a small section of hair from the ponytail and wrap it around the hair tie, securing it with a bobby pin.
5. Finish off with a spritz of hairspray to tame any flyaways.

Variations

- High Ponytail: For a sporty look, pull the ponytail higher on your head.
