Performance and Engine Specifications

The 2023 Honda Civic Sport Touring Manual Hatchback is engineered to deliver an engaging driving experience paired with fuel efficiency. Under the hood, this model features a turbocharged 1.5-liter four-cylinder engine designed to offer a responsive and spirited performance suitable for both city driving and highway cruising.

Engine and Transmission

The turbocharged 1.5-liter engine generates approximately 180 horsepower and 177 lb-ft of torque, providing ample power for a compact hatchback. The standout feature for enthusiasts is the inclusion of a six-speed manual transmission, allowing for greater control and driver involvement compared to automatic options. This combination emphasizes a sportier driving dynamic that appeals to those who enjoy a more connected driving experience.

Handling and Ride Quality

The Sport Touring trim is tuned for a balanced ride with sport-tuned suspension that enhances cornering ability without compromising comfort. The chassis is rigid and responsive, contributing to

precise steering feedback. Additionally, the manual transmission allows drivers to optimize performance in various driving conditions, making the 2023 Honda Civic Sport Touring Manual Hatchback a well-rounded contender in its class.

- 1.5L turbocharged inline-4 engine
- Six-speed manual transmission
- Approximately 180 horsepower

Exterior Design and Features

The 2023 Honda Civic Sport Touring Manual Hatchback boasts a modern and aggressive exterior that combines functionality with style. Its hatchback configuration enhances cargo versatility while presenting a sleek profile that distinguishes it from sedan counterparts.

Styling Elements

This model features a bold front fascia with LED headlights and daytime running lights that provide superior visibility and a contemporary look. The Sport Touring trim adds unique alloy wheels, a rear spoiler, and chrome accents that contribute to its upscale appearance. Aerodynamic enhancements not only improve fuel efficiency but also add to the vehicle's sporty character.

Practical Exterior Features

Practicality is a key advantage of the hatchback design, offering a spacious cargo area accessible via a rear liftgate. This design facilitates easier loading and unloading of larger items compared to traditional sedans. Additional exterior features include heated side mirrors and rain-sensing windshield wipers, enhancing convenience in varying weather conditions.

- LED headlights and taillights
- Sport Touring-specific alloy wheels
- Rear spoiler for improved aerodynamics
- Heated side mirrors
- Rear liftgate for enhanced cargo access

Interior Comfort and Technology

The cabin of the 2023 Honda Civic Sport Touring Manual Hatchback is designed to offer both comfort and cutting-edge technology. Premium materials and thoughtful design elements create a refined environment suitable for daily commuting and longer journeys alike.
