

2023 lincoln nautilus order guide

2023 lincoln nautilus order guide offers a detailed roadmap for prospective buyers seeking to customize and purchase the latest model of Lincoln's luxury midsize SUV. This comprehensive guide covers all essential aspects of ordering the 2023 Lincoln Nautilus, including trim levels, engine options, interior features, available packages, and pricing insights. Understanding these elements is crucial for making an informed decision and tailoring the vehicle to meet individual preferences and needs. Additionally, this guide highlights the ordering process, expected delivery timelines, and tips for maximizing value. Whether interested in the base model or a fully equipped version, this article provides clear, authoritative information to navigate the 2023 Lincoln Nautilus ordering experience. The following sections will explore these topics in detail, aiding buyers in confidently placing their orders.

- Trim Levels and Engine Options
- Interior Features and Technology
- Exterior Styling and Color Choices
- Available Packages and Accessories
- Ordering Process and Delivery Timeline

Trim Levels and Engine Options

The 2023 Lincoln Nautilus is available in multiple trims, each designed to offer varying levels of luxury, technology, and performance. Selecting the right trim and engine combination is a critical first step in the ordering process, as it defines the vehicle's overall character and capabilities.

Available Trim Levels

The 2023 Lincoln Nautilus comes in three primary trims: Standard, Reserve, and Black Label. Each trim level builds upon the previous one by adding more refined features and exclusive amenities. The Standard trim includes essential luxury and driver-assist technologies, while the Reserve trim adds advanced comfort and convenience features. The Black Label trim represents the pinnacle of luxury with bespoke interior materials and exclusive services.

Engine Options

Buyers can choose between two powertrain options for the 2023 Lincoln Nautilus. The base engine is a 2.0-liter turbocharged inline-4 delivering smooth and efficient performance suitable for daily driving. For those seeking enhanced power, the available 2.7-liter twin-turbocharged V6 engine offers robust acceleration and towing capability. Both engines are paired with a 8-speed automatic transmission and are available with front-wheel drive or all-wheel drive configurations.

- 2.0L Turbocharged Inline-4: Approximately 250 horsepower and 280 lb-ft of torque
- 2.7L Twin-Turbocharged V6: Approximately 335 horsepower and 380 lb-ft of torque

Interior Features and Technology

The interior of the 2023 Lincoln Nautilus is designed to provide a luxurious, comfortable, and technologically advanced environment. This section details the key interior features and tech options that buyers can select when ordering the vehicle.

Seating and Comfort

The Nautilus offers spacious seating for five passengers, with materials ranging from premium leather to unique Black Label leather options. Standard features include heated front seats, power-adjustable driver and passenger seats, and available ventilated seats for enhanced comfort. Ambient lighting and dual-zone automatic climate control contribute to a refined cabin atmosphere.

Infotainment and Connectivity

The 2023 Lincoln Nautilus is equipped with an intuitive SYNC 4 infotainment system featuring a large touchscreen display. Standard connectivity options include Apple CarPlay, Android Auto, Bluetooth, and multiple USB ports. Higher trims offer a premium Revel audio system, wireless charging, and a customizable digital instrument cluster, ensuring drivers and passengers remain connected and entertained.

- SYNC 4 Infotainment with Navigation
- Wireless Apple CarPlay and Android Auto
- Revel Premium Audio System (available on Reserve and Black Label)
- Wireless Charging Pad
- Digital Instrument Cluster

Exterior Styling and Color Choices

The 2023 Lincoln Nautilus boasts a sleek and sophisticated exterior design, combining modern luxury with aerodynamic efficiency. Customizing the exterior appearance is an important part of the ordering process, allowing buyers to express their personal style.

Design Highlights

The Nautilus features signature Lincoln design cues such as the distinctive grille, LED lighting elements, and sculpted body panels. The Black Label trim elevates exterior styling with unique accents and exclusive wheel designs. Buyers can choose between 18-, 20-, or 21-inch wheels depending on their chosen trim and package options.

Color Options

Lincoln offers a diverse palette of exterior paint colors for the 2023 Nautilus, including both classic and contemporary shades. Popular colors include Ceramic Pearl, Infinite Black, Rhapsody Blue, and Burgundy Velvet, among others. Special Black Label editions provide additional exclusive paint options to enhance the vehicle's bespoke appearance.

- Ceramic Pearl
- Infinite Black
- Rhapsody Blue
- Burgundy Velvet
- Prism White

- Other exclusive Black Label colors

Available Packages and Accessories

To further personalize the 2023 Lincoln Nautilus, a variety of packages and accessories are offered. These options enable buyers to tailor the vehicle to their lifestyle, enhancing luxury, technology, and utility.

Popular Packages

Key optional packages include the Driver Assist Package, which adds advanced safety features such as adaptive cruise control and lane-keeping assist. The Luxury Package upgrades the interior with premium materials and ambient lighting. Additionally, the Climate Package offers heated steering wheel and rear seats for increased comfort in colder climates.

Accessory Options

Lincoln also provides a range of accessories, including all-weather floor mats, roof racks, cargo organizers, and wheel locks. These accessories allow owners to customize their Nautilus for practical needs and increased protection.

- Driver Assist Package
- Luxury Package
- Climate Package

- All-weather Floor Mats
- Roof Racks and Cargo Accessories
- Wheel Locks and Protection Kits

Ordering Process and Delivery Timeline

Understanding the steps involved in ordering the 2023 Lincoln Nautilus is essential for a smooth purchasing experience. This section outlines how to place an order, estimated delivery times, and tips for ensuring timely receipt of the vehicle.

How to Place an Order

Ordering the 2023 Nautilus typically begins with selecting the desired trim, engine, and options at a Lincoln dealership or through official channels. Buyers can customize their vehicle using configurators that provide real-time pricing and feature availability. A deposit may be required to secure the order, followed by finalizing financing or lease agreements.

Delivery and Availability

Delivery timelines vary based on the level of customization, geographic location, and production schedules. Standard trims with popular configurations generally have shorter wait times, while highly customized Black Label editions may require longer lead times. Dealers provide estimated delivery windows during the ordering process, and customers are encouraged to stay in contact with their sales representative for updates.

- Step 1: Choose trim and engine
- Step 2: Select packages, colors, and accessories
- Step 3: Place order and provide deposit
- Step 4: Finalize financing or lease
- Step 5: Monitor delivery status and schedule pickup
