Frequently Asked Questions

What is the most bizarre conspiracy theory you've ever heard?

One of the most bizarre conspiracy theories is the idea that the moon landing was faked by Hollywood. Some believe that the entire event was staged to win the Space Race against the Soviet Union.

If you could have dinner with any fictional character, who would it be and why?

I would choose to have dinner with Sherlock Holmes. His analytical mind and unique perspective on human behavior would make for fascinating conversation.

What would you do if you woke up one day with the ability to speak any language fluently?

I would travel the world and connect with people from different cultures, sharing stories and learning about their traditions firsthand.

If animals could talk, which one do you think would be the rudest?

Cats would probably be the rudest. They already act like they own the place and seem to have a sassy attitude toward humans.

What's the weirdest dream you've ever had?

I once dreamed that I was in a world where everyone communicated only through interpretive dance. It was both hilarious and confusing!

If you could erase one event from history, what would it be?

I would erase the burning of the Library of Alexandria. It was a massive loss of knowledge and culture that could have significantly advanced human progress.
