Plot Overview of Angels in America Part Two Perestroika

Angels in America Part Two Perestroika picks up where the first part, *Millennium Approaches*, concludes, further exploring the intertwined lives of its characters during a time of crisis and change. The plot continues to follow Prior Walter, a man living with AIDS, as he confronts his deteriorating health and supernatural visitations. The narrative also focuses on Joe Pitt, a Mormon lawyer struggling with his sexuality and marriage, as well as Roy Cohn, a powerful and ruthless lawyer who faces his own mortality. The play's title, *Perestroika*, refers to the political reform movement in the Soviet Union, paralleling the personal and societal transformations in the story.

Throughout the play, Kushner employs a mixture of realism, fantasy, and political commentary, creating a rich tapestry that captures the emotional and social turmoil of the era. The angel's arrival in the second part symbolizes both divine intervention and the chaos of change, challenging the

characters' beliefs and destinies.

Major Plot Events

The narrative arc of angels in america part two perestroika includes several pivotal moments that drive the story forward:

- Prior Walter's confrontation with the angel and his acceptance of his illness.
- Joe Pitt's internal battle with his identity and his decision regarding his marriage to Harper.
- Roy Cohn's struggle with AIDS and denial, alongside his manipulative tactics to maintain power.
- Harper Pitt's exploration of mental illness and escapism through hallucinations.
- The resolution of various character arcs, highlighting themes of redemption and hope.

Main Characters and Their Development

The strength of angels in america part two perestroika lies significantly in its complex characters who embody the social and political conflicts of the time. Each character undergoes significant development, reflecting broader themes of identity, acceptance, and resistance.

Prior Walter

Prior Walter is central to the narrative, representing vulnerability and resilience. His battle with AIDS is portrayed with honesty and compassion, and his interactions with the angel highlight his role as a prophetic figure. Prior's journey is one of self-discovery and spiritual awakening, making him a symbol of hope amidst suffering.

Joe Pitt

Joe is a conflicted character torn between his conservative upbringing and his emerging sexual identity. His struggle with his Mormon faith and his marriage to Harper creates intense personal conflict. Joe's development throughout Perestroika is a poignant exploration of denial, repression, and eventual acceptance.

Roy Cohn

Roy Cohn, based on the real-life lawyer, is portrayed as a complex antagonist who embodies corruption, power, and denial. His refusal to admit his AIDS diagnosis and his manipulation of those around him serve as a critique of political and social hypocrisy. Cohn's character adds a layer of political commentary to the play.

Harper Pitt

Harper's experiences with mental illness and escapism through hallucinations provide a nuanced look at psychological distress. Her relationship with Joe and her eventual path toward self-awareness add emotional depth to the storyline.

Other Key Characters

Additional characters such as Belize, Hannah Pitt, and the Angel contribute to the narrative's richness, providing diverse perspectives and supporting the exploration of the play's themes.

Themes and Symbolism in Perestroika

Angels in America Part Two Perestroika is rich with themes and symbolism that resonate on both personal and political levels. Kushner's use of metaphor and allegory deepens the audience's understanding of the characters' experiences and the broader societal issues addressed.

Illness and Mortality

The AIDS crisis serves as a central theme, highlighting the fragility of life and the social stigma attached to disease. Prior Walter's illness is emblematic of the broader suffering endured by the LGBTQ+ community during the 1980s.

Identity and Acceptance

The play explores the complexities of sexual identity, faith, and self-acceptance. Characters wrestle with internal and external conflicts as they seek to reconcile their true selves with societal expectations.

Political Critique

Perestroika critiques the political climate of Reagan-era America, addressing issues such as homophobia, conservatism, and power dynamics. Roy Cohn's character epitomizes the corruption and denial prevalent in political systems.

Spirituality and Transformation

The angel's visitation symbolizes divine intervention and upheaval, challenging characters to confront change and embrace transformation. This spiritual dimension adds a mythic quality to the play.

Key Symbolic Elements

- The Angel: Represents both prophecy and disruption.
- Perestroika: Symbolizes political reform and personal change.
- Ghosts and Visions: Reflect past traumas and hidden truths.
- Illness: A metaphor for societal neglect and fear.

Historical and Political Context

Understanding the historical and political backdrop of angels in America part two perestroika is essential to appreciating its depth and significance. The play is set during the 1980s, a period marked by the AIDS epidemic, conservative politics, and emerging social movements.

The AIDS Crisis

The emergence of AIDS devastated the LGBTQ+ community and exposed widespread discrimination and governmental neglect. The play humanizes this crisis by focusing on individual stories and emotional realities.

Reagan-Era America

Ronald Reagan's presidency was characterized by conservative policies and a reluctance to address the AIDS epidemic, which is reflected in the play's political commentary. The title "Perestroika" alludes to the Soviet Union's attempts at reform, paralleling the need for change in American society.

LGBTQ+ Rights Movement

The play captures the tensions and hopes of the LGBTQ+ rights movement during this era, portraying characters who embody resistance, solidarity, and the fight for recognition.

Impact of Perestroika

The political reforms in the Soviet Union inspired a sense of possibility and upheaval globally, mirrored in the personal transformations of the characters within the play.
