Creating Your Word Search

Now that you have a list of summer vacation words, you can create your own word search. Here's a step-by-step guide to crafting the puzzle:

Step 1: Choose Your Grid Size

Decide on the size of your word search grid. A common size is 15x15 or 20x20, depending on the number of words you want to include.

Step 2: Arrange the Words

Place the words from your list into the grid. You can position them in various directions to increase the challenge. Make sure to leave space for additional letters.

Step 3: Fill in the Grid

Once all the words are placed, fill the remaining empty squares with random letters. This will make it harder to identify the words at first glance.

Step 4: Create an Answer Key

An answer key is crucial for providing players with the solutions. Below, you will find the answer key for the 100 summer vacation words:
