Army AGSU Wear Guide

The Army Green Service Uniform (AGSU) represents a significant return to the classic green uniforms that have been a symbol of the U.S. Army for decades. Understanding how to properly wear and maintain this uniform is crucial for service members who want to uphold the standards of the Army. This comprehensive **Army AGSU wear guide** will cover the essential aspects of the AGSU, including its components, proper fit, wear regulations, and care instructions to ensure you look sharp and professional.

Overview of the AGSU

The Army Green Service Uniform was officially adopted in 2020, marking a return to the iconic green service uniforms that served the Army well for many years. The AGSU is designed to be a modern reflection of the Army's history and tradition while ensuring that soldiers are comfortable and professional in appearance.

Components of the AGSU

The AGSU consists of several key components that come together to create a cohesive and professional look. Here's a breakdown of what makes up the AGSU:

- **Coat:** The AGSU coat is a tailored, dark green jacket with a military cut, designed to be worn over the Army's dress shirt.
- **Shirt:** The AGSU shirt is a light green, long-sleeve shirt, typically worn with a necktie or tie tab.
- **Trousers:** The AGSU trousers are also dark green and designed to match the coat, providing a polished look.
- **Necktie or Tie Tab:** Soldiers have the option to wear either a necktie or a tie tab with the AGSU, depending on personal preference.
- **Belt:** The AGSU includes a leather belt that complements the uniform and must be worn at all times.
- **Insignia and Ribbons:** Proper placement of rank insignia, unit patches, and ribbons is essential for a complete AGSU look.
- **Footwear:** Black leather boots are the standard footwear for the AGSU, polished to maintain a professional appearance.

Proper Fit of the AGSU

Wearing the AGSU properly starts with ensuring that each component fits well. A well-fitted uniform not only looks better but also contributes to the comfort of the soldier. Here are some tips to ensure a proper fit:

Measurements

Before purchasing your AGSU, take the following measurements:

1. **Chest:** Measure around the fullest part of your chest, keeping the tape level under your arms.
2. **Waist:** Measure around your natural waistline, ensuring the tape is comfortably snug.
3. **Inseam:** Measure from the top of your inner thigh down to your ankle.
4. **Sleeve Length:** Measure from the center back of your neck to your wrist.

Tailoring

After you have your measurements, consider visiting a tailor for adjustments. Common alterations include:

- Shortening or lengthening sleeves and pant legs.
- Taking in or letting out the waist or chest of the coat.
- Adjusting the shoulder seam for better fit.

Wear Regulations for the AGSU

Understanding the wear regulations for the AGSU is vital for maintaining a professional appearance. The Army outlines specific guidelines regarding how the uniform should be worn:

General Guidelines

- The AGSU must be clean, pressed, and free of wrinkles.
- All buttons must be buttoned, and the jacket should be worn closed.
- Shirts must be tucked in at all times.
- All insignia, badges, and ribbons must follow the official Army regulations for placement and order of precedence.

Proper Insignia Placement

Correct insignia placement is essential for a polished look. Here are the standard placements:

1. **Rank Insignia:** Worn on both epaulets of the coat, centered and facing outward.
2. **Name Tag:** Worn on the right side of the coat, centered above the pocket.
3. **Unit Insignia:** Worn on the left side of the coat, centered above the pocket.
4. **Badges:** Worn above the left pocket; only authorized badges should be displayed.
5. **Ribbons:** Worn above the left pocket, following the order of precedence.

Caring for the AGSU

Proper care and maintenance of the AGSU are essential in prolonging its life and keeping it looking sharp. Here are some tips for caring for each component of the uniform:

Washing and Dry Cleaning

- Follow the care label instructions for washing and drying.
- Generally, the coat and trousers should be dry cleaned to maintain their shape and color.

- Shirts can often be washed at home but should be ironed to remove wrinkles.

Polishing Footwear

Maintaining your black leather boots is crucial for a polished appearance:

1. Clean boots regularly with a damp cloth to remove dirt and dust.
2. Apply a quality leather conditioner to keep the leather supple.
3. Use black shoe polish to restore shine; buff with a soft cloth to finish.

Conclusion

In conclusion, the **Army AGSU wear guide** provides essential information on how to properly wear, fit, and care for the new Army Green Service Uniform. By adhering to the guidelines outlined in this article, soldiers can maintain a professional appearance that reflects the pride and tradition of the U.S. Army. Whether you are a new recruit or a seasoned veteran, understanding these standards will ensure you represent your unit and the Army with honor.
