A Commercial Driver's License (CDL) is a specialized license that allows individuals to operate larger and more complex vehicles. In Missouri, the CDL is categorized into three classes:

- **Class A:** This allows the driver to operate vehicles with a gross vehicle weight rating (GVWR) of 26,001 pounds or more, provided they are towing a vehicle that is over 10,000 pounds.

- **Class C:** This includes vehicles designed to transport 16 or more passengers (including the driver) or hazardous materials.
