- Overview of Trophies in Batman Arkham City
- Main Story Trophies
- Riddler Trophies and Challenges
- Predator Trophies
- Combat and Stealth Trophies
- Side Missions and Miscellaneous Trophies
- Tips for Efficient Trophy Hunting

Overview of Trophies in Batman Arkham City

The Batman Arkham City trophy guide begins with understanding the types and categories of trophies available in the game. Trophies are divided into bronze, silver, and gold, each representing varying degrees of difficulty and accomplishment. Some trophies are tied directly to story progression, while others require more meticulous exploration and skill-based challenges. The game includes unique trophies for completing Riddler challenges, mastering combat techniques, and completing side missions. Knowing the distribution and requirements helps players plan their playthrough effectively.

Main Story Trophies

Main story trophies form the backbone of the Batman Arkham City trophy guide, rewarding players for advancing through the narrative and completing key missions. These trophies are mostly straightforward and unlock as players progress through the game's chapters. Players should focus on completing the story missions on any difficulty to unlock these trophies, as they often serve as prerequisites for other achievements.

Key Story Missions

Completing main story missions such as "Welcome to Arkham City," "The Way Ahead," and "End Game" unlocks several trophies. Players should ensure they thoroughly complete all objectives within each mission to avoid missing any story-related trophies. These missions also introduce important gameplay mechanics that will be useful for other trophy challenges.

Difficulty-Based Trophies

Some trophies require completing the main story or specific missions on higher difficulty levels, such as New Game Plus or Hard Mode. These trophies test players' mastery of combat and stealth, making them essential for the completionist looking to unlock every trophy.

Riddler Trophies and Challenges

Riddler trophies represent a significant portion of the Batman Arkham City trophy guide, often requiring extensive exploration and puzzle-solving skills. These trophies are awarded for collecting Riddler trophies scattered throughout the city and completing his complex challenges.

Collecting Riddler Trophies

The game features over 400 Riddler trophies hidden in various locations, including small question marks, bombs, and trophies that require solving environmental puzzles. Players should methodically explore every district and use Detective Mode to locate hidden items. Collecting all Riddler trophies is essential for unlocking related trophies and progressing through the Riddler's side missions.

Riddler Challenges

Beyond just collecting trophies, players must complete a series of challenges set by the Riddler, such as hacking devices, destroying bombs, and solving riddles. Successfully completing these challenges awards

trophies and is necessary to unlock the final Riddler-related trophies.

- Use Detective Mode regularly to spot hidden puzzles and trophies
- Prioritize difficult trophies early to avoid backtracking
- Complete Riddler challenges in a logical order to streamline progress

Predator Trophies

Predator trophies focus on Batman's stealth abilities, requiring players to silently take down enemies without being detected. These trophies are often challenging due to the game's dynamic enemy AI and require precise timing and strategy.

Stealth Takedown Techniques

Mastering various stealth takedown methods, including silent takedowns, no-kill takedowns, and chain takedowns, is crucial for earning Predator trophies. Players should familiarize themselves with the environment to use vantage points, shadows, and distractions effectively.

Predator Challenge Rooms

The game includes several Predator challenge rooms where players must demonstrate flawless stealth skills under time constraints. These challenges award trophies upon completion and serve as excellent practice for real in-game stealth scenarios.

Combat and Stealth Trophies

Combat and stealth trophies test players' proficiency in Batman's combat system and stealth mechanics. These trophies require a combination of skills, including chaining combos, countering attacks, and completing stealth sections without detection.

Combat Mastery

Trophies related to combat mastery often demand achieving high combo multipliers, performing counters,

and using gadgets effectively during fights. Players should practice their timing and experiment with different moves to maximize their combat efficiency.

Stealth Sections

Stealth trophies may require completing specific sections without triggering alarms or being spotted. Patience, observation, and strategic planning are essential to navigate these areas successfully and earn the related trophies.

Side Missions and Miscellaneous Trophies

Side missions provide additional trophy opportunities outside the main storyline and Riddler challenges. These missions often involve helping allies, defeating unique enemies, or completing optional objectives.

Helping Allies

Completing side missions for characters like Catwoman, Robin, and Nightwing can yield unique trophies. These missions often combine combat, stealth, and puzzle-solving elements, adding variety to the trophy hunting process.

Unique Enemy Defeats

Some trophies require defeating particular enemies or bosses under specific conditions. Players should pay attention to mission details and prepare adequately to meet these requirements.

Tips for Efficient Trophy Hunting

Efficiency is key when pursuing trophies in Batman Arkham City. This section of the Batman Arkham City trophy guide outlines strategies to optimize gameplay and reduce unnecessary repetition.

- Complete the main story on normal difficulty first to unlock basic trophies.
- Use guides or maps for locating all Riddler trophies to avoid missing any.
- Practice stealth and combat skills regularly to increase success rates in challenges.
- Save frequently and use multiple save slots to experiment with different approaches.

- Prioritize trophies that require specific conditions early to prevent replaying missions.
- Utilize Detective Mode extensively to uncover hidden items and puzzle clues.

Frequently Asked Questions

What are the easiest trophies to unlock in Batman Arkham City?

The easiest trophies to unlock are generally the story-related ones, such as 'Welcome to Arkham City' (completing the story) and 'The Dark Knight' (completing the game on any difficulty). These naturally unlock as you progress through the main storyline.

How do I get the 'Urban Legend' trophy in Batman Arkham City?

The 'Urban Legend' trophy is awarded for completing all Riddler challenges in Arkham City. To earn it, you need to find and solve all Riddler trophies, puzzles, and challenges scattered throughout the game.

What is the best strategy to complete the Riddler challenges for trophies?

Focus on upgrading Batman's gadgets and abilities first, then systematically clear sectors of the city by locating and solving Riddler puzzles. Using the Riddler's tracker and paying attention to environmental clues helps efficiently complete these challenges.

Can I miss any trophies by finishing the story first in Batman Arkham City?

No trophies are missable by finishing the story first, but some trophies require 100% completion of side missions and Riddler challenges, so it's best to explore and complete side content after finishing the main story.

How do I unlock the 'Protector of Gotham' trophy?

The 'Protector of Gotham' trophy is earned by completing all side missions in the game. Make sure to finish every side quest and encounter, including those involving Catwoman and other characters.

Is there a trophy for playing as Catwoman in Batman Arkham City?

Yes, there is a trophy called 'Cat Scratch Fever' for completing all Catwoman story missions. Playing through Catwoman's campaign and completing her objectives will unlock this trophy.

What difficulty should I play on to unlock the 'Knightfall' trophy?

The 'Knightfall' trophy requires you to complete the game on the 'New Game Plus - Hard' difficulty. It's recommended to first finish the game on normal difficulty and then replay on hard to earn this trophy.

Are there any online trophies in Batman Arkham City?

No, Batman Arkham City does not feature any online multiplayer trophies. All trophies are earned through single-player gameplay and challenges.

How can I speedrun to get the 'Speed Demon' trophy?

To unlock the 'Speed Demon' trophy, you need to complete a specific challenge or mission within a time limit. Practicing the mission, memorizing routes, and using Batman's gadgets efficiently will help you achieve the required time.

What gadgets are essential for unlocking trophies in Batman Arkham City?

Essential gadgets include the Batarang, Batclaw, Explosive Gel, and Remote Electrical Charge. Upgrading these gadgets is crucial for solving Riddler puzzles and completing side missions that contribute to trophy progression.
