In 2014, she released a study that not only resonated with her long-time followers but also attracted new participants eager to deepen their understanding of the Bible.

Overview of Beth Moore's 2014 Bible Study

In 2014, Beth Moore released a new Bible study titled "Children of the Day." This study focuses on the New Testament books of 1 and 2 Thessalonians, guiding participants through the rich themes and lessons found within these letters. Moore's approach combines her signature storytelling with profound biblical insights, making the study both relatable and theologically rich.

Key Themes of "Children of the Day"

"Children of the Day" explores several key themes, including:

1. **Identity in Christ:** Moore emphasizes that believers are children of the light, called to live in a way that reflects their identity in Christ.
2. **Hope and Encouragement:** The letters to the Thessalonians provide encouragement in the face of trials, reminding participants of the hope found in Christ's return.
3. **Living in Expectation:** The study delves into the importance of living with an awareness of the coming of the Lord, fostering a sense of urgency and purpose in believers' lives.
4. **Community and Relationships:** Moore underscores the value of community, highlighting how the early church supported one another and the importance of fostering relationships within the body of Christ.

Structure of the Study

The "Children of the Day" Bible study is structured to facilitate both individual and group study, making it versatile for various settings, from personal reflection to large group discussions. Here's an outline of the study's components:

- **Video Sessions:** Each week includes video teachings from Beth Moore that provide additional insights and context for the Scripture passages.
- **Workbook:** The accompanying workbook features questions, scripture readings, and prompts for reflection, encouraging participants to dig deeper into the text.
- **Group Discussion:** Designed for group settings, the study encourages participants to discuss their insights and experiences, fostering community and shared learning.

- Prayer Focus: Each session includes a dedicated time for prayer, helping participants to apply what they've learned in their personal lives and communities.

Benefits of Participating in the Study

Engaging with "Children of the Day" offers numerous benefits, including:

- Deeper Understanding of Scripture: Participants gain a thorough understanding of 1 and 2 Thessalonians and their relevance to modern life.
