

books like the very secret society of irregular witches

Books like *The Very Secret Society of Irregular Witches* have a unique charm that blends fantasy, humor, and heartwarming storytelling. Written by Sangu Mandanna, "*The Very Secret Society of Irregular Witches*" follows the journey of Mika Moon, a witch who feels out of place in the world of magic. With its delightful mix of whimsical characters, enchanting settings, and a focus on the importance of found family, this book resonates with many readers. If you enjoyed it and are looking for similar reads, you're in luck! Below, we explore a selection of books that capture the same spirit, magic, and warmth.

Why You'll Love These Books

The allure of "*The Very Secret Society of Irregular Witches*" lies in its ability to create a world where magic is woven seamlessly into the fabric of everyday life. Readers are drawn to stories that explore themes of belonging, community, and self-discovery. The following books embody these themes, offering rich narratives that will captivate fans of Mandanna's work.

Books with Whimsical Magic and Heartwarming Themes

If you loved "*The Very Secret Society of Irregular Witches*," consider diving into these enchanting reads:

1. *The House in the Cerulean Sea* by TJ Klune

In this heartwarming fantasy, Linus Baker, a caseworker for magical children, is sent to a mysterious orphanage to assess the children's potential danger to society. What he discovers is a vibrant community filled with magical beings and a warmth that challenges his notions of right and wrong. This novel beautifully illustrates themes of acceptance, love, and the importance of found family, making it a perfect match for fans of Mandanna's work.

2. *The Midnight Library* by Matt Haig

While not strictly a fantasy in the traditional sense, "*The Midnight Library*" offers a magical premise where the protagonist, Nora Seed, explores alternate lives based on the choices she could have made. The library, a metaphorical space between life and death, allows Nora to reflect on her regrets, dreams, and the essence of happiness. Haig's exploration of self-discovery and the impact of our choices resonates with readers who appreciate the

emotional depth found in "The Very Secret Society of Irregular Witches."

3. Payback's a Witch by Lana Harper

Set in a world where witches exist alongside humans, "Payback's a Witch" follows the story of Emmy Harlow, who returns to her hometown and finds herself entangled in a magical competition. Filled with romance, humor, and a touch of revenge, this book combines the charm of witchcraft with a contemporary twist. Fans of Mika Moon's adventures will enjoy the blend of magic and relatable themes of love and self-acceptance.

4. A Marvellous Light by Freya Marske

This historical fantasy novel combines magic with a delightful romance between two protagonists in Edwardian England. When Robin Blyth accidentally uncovers a magical society, he is thrust into a world of danger and intrigue. The book's enchanting setting and the blossoming relationship between the characters echo the themes of community and belonging found in Mandanna's story, making it a compelling choice for readers seeking similar delights.

5. The Ten Thousand Doors of January by Alix E. Harrow

In this beautifully written tale, January Scaller discovers a mysterious door that leads to other worlds. As she explores her identity and the power of stories, readers are treated to a narrative that intertwines magic, adventure, and the quest for belonging. Harrow's lyrical prose and the exploration of themes related to family and self-discovery will resonate with fans of "The Very Secret Society of Irregular Witches."

Books Featuring Strong Female Protagonists and Magic

Another appealing aspect of "The Very Secret Society of Irregular Witches" is its focus on strong, complex female characters. Here are some books that showcase similar protagonists:

6. Witchmark by C.L. Polk

Set in an alternate Edwardian England, "Witchmark" follows Dr. Miles Singer, a witch hiding his powers while working in a hospital. When he encounters a mysterious man, he becomes embroiled in a conspiracy involving magic and politics. Polk's novel features a rich world, intricate character development, and a strong female lead, making it an excellent choice for fans of Mandanna's enchanting narrative.

7. The Unkindest Tide by Seanan McGuire

Part of the "Wayward Children" series, "The Unkindest Tide" follows the adventures of the characters navigating the realms of magic and self-identity. McGuire's unique storytelling and focus on the experiences of children and teenagers in fantastical settings resonate well with readers who appreciate the blend of magic and emotional depth found in "The Very Secret Society of Irregular Witches."

8. The Bone Witch by Rin Chupeco

Tea is a bone witch, capable of raising the dead, but she struggles to find her place in a world that fears her abilities. As she navigates her powers and the complexities of friendship, readers are drawn into a rich narrative filled with magic, intrigue, and personal growth. Chupeco's exploration of identity and belonging aligns well with the themes found in Mandanna's work.

9. The Starless Sea by Erin Morgenstern

In this lyrical and immersive tale, Zachary Ezra Rawlins discovers a mysterious book that leads him to a magical underground world. The novel is filled with beautiful prose and intertwining stories, weaving a narrative that explores the power of storytelling and connection. Fans of whimsical narratives will find much to love in Morgenstern's enchanting world.

Exploring Magical Realism and Contemporary Fantasy

For readers interested in a blend of magical realism and contemporary fantasy, the following titles offer unique perspectives and storytelling styles:

10. Garden Spells by Sarah Addison Allen

This charming tale follows the Waverley sisters, who possess magical abilities tied to their family's garden. The book beautifully blends elements of magic with themes of love, family, and self-discovery. Allen's storytelling style and whimsical characters make "Garden Spells" a delightful read for those who enjoyed the warmth and charm of "The Very Secret Society of Irregular Witches."

11. The Invisible Life of Addie LaRue by V.E. Schwab

This novel weaves the story of Addie, a young woman who makes a Faustian bargain to live forever but is cursed to be forgotten by everyone she meets. As she navigates through centuries, the narrative explores themes of identity, memory, and the desire to leave a mark on the world. Schwab's exploration of the human experience resonates deeply, making it an excellent choice for readers who appreciate emotional storytelling.

Conclusion

For those captivated by the whimsical charm of "The Very Secret Society of Irregular Witches," an abundance of enchanting reads awaits. Each of the titles mentioned above offers a unique blend of magic, heart, and themes of belonging that echo the spirit of Mandanna's work. Whether you're drawn to whimsical fantasy, strong female protagonists, or stories of self-discovery, these books promise to transport you to worlds where magic and reality intertwine beautifully. Happy reading!
