Types of Business Attire

1. **Business Formal:** This is the most conservative form of business attire, typically required in corporate environments. It includes tailored suits, dress shirts, and formal shoes.
2. **Business Casual:** This style is less rigid and allows for more personal expression. It includes dress pants, blouses, and dresses, paired with loafers or ankle boots.
3. **Smart Casual:** This is a blend of casual and professional wear, allowing for more relaxed clothing while still looking polished. Items like tailored jeans, stylish tops, or blazers can fit into this category.
