

call of duty black ops 2 tranzit guide

Call of Duty Black Ops 2 Tranzit Guide: The world of Call of Duty has seen many zombies modes, but few are as iconic and expansive as the one found in Call of Duty Black Ops 2. Tranzit is a unique map that blends exploration, survival, and cooperative gameplay, providing players with an engaging experience filled with challenges and secrets. This guide will cover everything you need to know to thrive in Tranzit, including gameplay mechanics, strategies, essential locations, and tips to help you achieve high rounds.

Understanding Tranzit

Tranzit is set in a post-apocalyptic world, where players must survive against waves of zombies while navigating an expansive map that includes various locations. The map is divided into several key areas that players can access using the Bus, which serves as a primary mode of transportation.

The Map Layout

The Tranzit map is vast and interconnected. Here's a breakdown of the main areas:

1. Bus Depot: The starting area where players spawn. It's a good place to gather resources and prepare before heading out.
2. The Town: A central hub that offers various buildings and resources. It has a mystery box location and other essential items.
3. The Diner: A smaller area that contains useful items and can be a good place to hold out temporarily.
4. The Farm: Offers additional resources and crafting materials for building essential items.
5. The Power Plant: A critical area where players can turn on the power to access various functions and perks.

Each of these locations has unique features and resources that players should familiarize themselves with.

Essential Gameplay Mechanics

Understanding the mechanics of Tranzit is vital for survival. Here are some of the key gameplay elements you need to know.

The Bus

- The Bus is your primary means of transportation between areas. It follows a set route, and players must board it to access different locations.

- The Bus has limited stops, so plan your movements accordingly. If you miss the bus, you'll need to wait for it to return or travel on foot, which can be dangerous.

Building Items

In Tranzit, players can gather parts to build special items:

1. Zombie Shield: Provides protection from zombies when equipped.
2. Turret: A defensive item that can be placed to help fend off zombie hordes.
3. Galvaknuckles: Enhances melee damage and adds a significant boost to your combat capabilities.

Players should explore each area to find the necessary parts and maximize their arsenal.

Turning on the Power

Turning on the power is crucial in Tranzit, as it unlocks perks and various gameplay mechanics:

- To turn on the power, players must travel to the Power Plant and interact with the switch.
- Power unlocks perks like Juggernog, Quick Revive, and Speed Cola, which are essential for survival in later rounds.

Strategies for Survival

To effectively survive in Tranzit, players must adopt specific strategies that cater to the unique challenges of the map.

Cooperative Play

Tranzit is designed for cooperative gameplay. Here are some tips for playing with a team:

- Communication: Always communicate with your teammates about resources, zombies' movements, and strategies.
- Role Assignment: Assign roles to each player, such as resource gatherers, builders, and defenders, to maximize efficiency.
- Reviving: Always be aware of your teammates' health and be ready to revive them in critical situations.

Resource Management

Managing resources is vital for survival. Consider the following:

- Ammo Conservation: Conserve ammo by using melee attacks when possible, especially in early rounds.
- Weapon Variety: Ensure that you have a mix of weapon types (e.g., melee, guns, explosives) to handle different situations.
- Perk Prioritization: Decide which perks to prioritize based on your playstyle. Juggernog is often a priority for survivability.

High-Round Strategies

Reaching high rounds in Tranzit requires a combination of skill, strategy, and patience. Here are some tactics:

- Train Zombies: Use the environment to your advantage by running in circles to gather zombies in a train, then taking them out in a safe location.
- Utilize the Bus: The Bus can be a strategic tool for regrouping and healing. Use it to escape heavy zombie crowds.
- Complete the Easter Egg: The Tranzit map has various Easter eggs that can provide powerful rewards. Completing these can enhance your chances of survival.

Secrets and Easter Eggs

Tranzit is filled with secrets and Easter eggs that can enhance gameplay and provide additional challenges.

The Avogadro Boss

- The Avogadro is a special enemy that appears once the power is turned on. It can teleport and poses a unique challenge.
- To defeat it, players should work together to focus fire and avoid its attacks.

Pack-a-Punch Machine

- The Pack-a-Punch machine allows players to upgrade their weapons for better performance.
- Players must find the machine's location and gather enough points to utilize it effectively.

Other Easter Eggs

- Tranzit contains several other Easter eggs, including hidden items and achievements. Exploring the map thoroughly can reveal secrets that enhance gameplay.

Final Tips for Success

To truly master Tranzit and enjoy your gameplay experience, keep these final tips in mind:

- Practice makes perfect: The more you play, the more familiar you will become with the map and its challenges.
- Stay aware: Always be aware of your surroundings, as zombies can spawn unexpectedly.
- Adapt your strategy: Each game may require a different approach depending on your team and the resources available.

By following this Call of Duty Black Ops 2 Tranzit Guide, players can enhance their gameplay experience, survive longer, and ultimately achieve higher rounds. Explore the map, gather resources, and work together with your team to conquer the zombie apocalypse!

Frequently Asked Questions

What is the best strategy for surviving the early rounds in Tranzit?

Focus on gathering points by killing zombies with melee attacks and using the M14 or Olympia. Utilize the bus to travel between locations and avoid getting overwhelmed.

How can I unlock the Pack-a-Punch machine in Tranzit?

To unlock the Pack-a-Punch machine, you need to activate the power by turning on the power switch located in the power station. After that, you can build the Pack-a-Punch machine using parts found throughout the map.

What are the key locations to gather parts for building the bus?

Key locations for bus parts include the Gas Station, the Farm, and the Power Station. Make sure to gather parts like the Turbine, the Fan, and the Ladder to enhance the bus's capabilities.

How can I effectively manage the fog in Tranzit?

Keep moving and use the bus to avoid getting lost in the fog. Carry a flashlight to help navigate and always be prepared to fight off the denizens that appear in the fog.

What are some tips for dealing with the 'Denizens of the Fog'?

Try to keep your distance from them and avoid getting grabbed. Use area-of-effect weapons or grenades to eliminate them quickly if they get too close.

What are the best weapons to use in Tranzit?

Some of the best weapons include the Ray Gun, the RPG, and the upgraded versions of the M16 and Galil. Always prioritize weapons that can handle multiple zombies at once.
