Item Categories in Coffee Talk 2

The drinks in Coffee Talk 2 are crafted from a variety of items, which can be categorized into several groups. Understanding these categories will enhance your ability to create the perfect beverage for each character.

1. Base Ingredients

Base ingredients form the foundation of every drink. Here's a list of the primary base ingredients available in Coffee Talk 2:

- Coffee: The classic choice for most drinks. It can be brewed in various strengths, affecting the drink's overall flavor.
- Tea: A lighter alternative that offers a range of flavors, from herbal to

traditional black tea.

- Chocolate: Often used for sweet, dessert-like beverages; great for characters with a sweet tooth.
- Milk: A versatile ingredient that can be used in various drinks, adding creaminess and richness.

2. Flavor Enhancers

Adding flavor enhancers can transform a simple drink into a unique creation. Here's a list of flavor enhancers you can incorporate:

- Sugar: Sweetens drinks to cater to sweeter palates.
- Syrups: Various syrups (e.g., vanilla, hazelnut, caramel) add distinct flavors and sweetness.
- Spices: Ingredients such as cinnamon or nutmeg can add warmth and depth to certain beverages.

3. Toppings and Garnishes

Toppings and garnishes are essential for presentation and taste. They can elevate a drink, making it visually appealing and flavorful. Here are some common toppings:

- Whipped Cream: Adds a luscious texture and can be flavored or plain.
- Cocoa Powder: Often used for chocolate-based drinks, it enhances both flavor and appearance.
- Marshmallows: A fun and sweet addition to hot cocoa or other dessert drinks.
- Mint Leaves: Fresh herbs that can add a refreshing touch to drinks.

4. Seasonal and Special Items

As with any café, seasonal items often make an appearance, bringing limited-time flavors to the menu. Be sure to experiment with:

- Pumpkin Spice: A fall favorite that can be incorporated into coffee or desserts.
- Peppermint: A winter classic that adds a festive touch to drinks.
- Fruit Purees: Seasonal fruits can be used to create refreshing beverages, especially during summer.

Creating the Perfect Drink

Now that we've covered the various items available, let's discuss how to use these ingredients to create the perfect drink for each character. Each character has specific preferences that players must learn to serve them effectively.

1. Understanding Customer Preferences
