

cubs spring training tv schedule

Cubs Spring Training TV Schedule is an essential topic for fans eagerly anticipating the start of a new baseball season. As the Chicago Cubs head to their spring training base in Mesa, Arizona, fans want to ensure they don't miss any of the action. With a packed schedule of games, practices, and events, knowing when and where to catch the Cubs on TV is crucial for every die-hard fan. In this article, we will delve into the complete Cubs spring training TV schedule, discuss how to watch the games, and highlight some key players to keep an eye on this season.

Understanding Cubs Spring Training

Spring training is a pivotal time for baseball teams, including the Chicago Cubs, as it allows players to prepare for the upcoming season. Held annually in warmer climates, spring training games give teams the opportunity to evaluate their rosters, try out new strategies, and build team chemistry. The Cubs typically play in the Cactus League, which features 15 teams in Arizona.

What to Expect from Cubs Spring Training

1. **Player Evaluations:** Coaches and management assess both seasoned players and newcomers to determine the final roster for the regular season.
2. **Injury Recovery:** Spring training is a critical time for players recovering from injuries, as they get back in shape and regain their competitive edge.
3. **Fan Engagement:** Spring training games often take place in smaller venues, allowing fans to get closer to the action and interact with players.
4. **Practice Sessions:** In addition to games, teams hold practice sessions that fans can sometimes attend, providing a behind-the-scenes look at player preparations.

Cubs Spring Training TV Schedule: How to Watch

The Cubs spring training TV schedule typically includes a combination of televised games, radio broadcasts, and online streaming options. Below is a breakdown of how fans can watch the Cubs during spring training.

Televised Games

The Cubs have a partnership with several networks that air their spring training games. Some of the primary channels include:

- NBC Sports Chicago: This regional sports network covers many Cubs games throughout spring training.
- MLB Network: Select games are broadcast nationally on the MLB Network, allowing fans from all over the country to tune in.
- Cubs.com: The team's official website often streams select games and provides updates.

Radio Broadcasts

For fans who prefer to listen to the games, the Cubs' radio broadcasts are available on:

- 670 The Score: This sports radio station covers many Cubs games, offering live commentary and updates.
- Cubs Radio Network: Fans can tune in to the Cubs Radio Network for coverage of spring training games.

Online Streaming Options

In today's digital age, streaming options have become more popular for watching sports. Here's how fans can catch the Cubs online:

- MLB.TV: Subscribers can stream all spring training games live, including those not broadcast on television.
- Cubs.com: The official website may offer streaming options for select games, along with highlights and replays.
- Social Media: The Cubs often post highlights and game updates on their social media platforms, providing fans with real-time action.
