Getting Started

Before using your Cylo Titan earbuds, follow these steps to ensure proper setup and functionality.

Charging the Earbuds

1. Initial Charge: Before the first use, fully charge the charging case with the included USB-C cable.
2. Placing Earbuds in the Case: Insert the earbuds into the charging case, ensuring they are seated properly. The LED indicator will light up, showing that they are charging.
3. Charging Time: It typically takes about 1-2 hours to fully charge the case and the earbuds.

Pairing with Your Device

To enjoy your music, you'll need to pair your Cylo Titan earbuds with your smartphone or other Bluetooth-enabled devices. Follow these steps:

1. Enable Bluetooth: On your device, ensure Bluetooth is enabled.
2. Open the Charging Case: Take the earbuds out of the charging case. They will automatically enter pairing mode, indicated by a blinking LED light.
3. Select the Earbuds: On your device, look for "Cylo Titan" in the list of available Bluetooth devices and select it.
4. Confirmation: Once paired, you will hear a confirmation sound, and the LED light will change to a steady state.

Using the Cylo Titan Earbuds

Once your earbuds are paired, you can start using them. Here are some key functions and controls you should know.

Touch Controls

The Cylo Titan earbuds come with touch-sensitive controls that allow you to manage playback and calls easily:

- Play/Pause Music: Tap once on either earbud.
- Next Track: Double-tap the right earbud.
- Previous Track: Double-tap the left earbud.
- Answer/End Calls: Tap once on either earbud.
- Reject Calls: Tap and hold for 2 seconds on either earbud.
- Activate Voice Assistant: Triple-tap either earbud.

Adjusting Volume

Volume control is typically handled through your connected device. However, if your device supports it, you may adjust volume through touch controls:

- Increase Volume: Tap and hold the right earbud.
- Decrease Volume: Tap and hold the left earbud.

Maintaining Your Cylo Titan Earbuds

To ensure the longevity of your earbuds, proper maintenance is crucial. Here are some tips to keep your Cylo Titan earbuds in top condition.

Cleaning the Earbuds

1. Remove Ear Tips: Gently detach the silicone ear tips.
2. Wipe Down: Use a soft, dry cloth to wipe the body of the earbuds.
3. Clean Ear Tips: Wash the silicone ear tips with mild soap and water. Allow them to dry completely before reattaching.
4. Avoid Moisture: Do not expose the earbuds to excessive moisture or submerge them in water.

Storing the Earbuds

- Use the Charging Case: Always store your earbuds in the charging case when not in use.
- Keep Away from Extreme Temperatures: Avoid exposing the earbuds to extreme heat or cold, as it can affect battery life.

Troubleshooting Common Issues

Despite their robust design and functionality, users may occasionally encounter issues. Here are some common problems and their solutions:

Connectivity Issues

- Problem: Earbuds are not connecting to the device.
- Solution: Ensure Bluetooth is enabled on your device. Turn off the earbuds and turn them back on, then try to reconnect.

Audio Quality Problems

- Problem: Sound is distorted or unclear.
- Solution: Check the battery level of the earbuds. Low battery can affect sound quality. Clean the ear tips and ensure a proper seal in your ears.

Short Battery Life

- Problem: Earbuds are not holding a charge.
- Solution: Ensure the charging case is fully charged. If the issue persists, consider contacting customer support for battery replacement options.

Battery Management Tips

To extend the battery life of your Cylo Titan earbuds, consider the following tips:

1. Avoid Extreme Temperatures: Keep the earbuds and charging case away from extreme heat or cold.
2. Charge Regularly: Don't let the battery drain completely before charging.
3. Use the Case: Always store the earbuds in the charging case when not in use.
