

david bowie rebel rebel tab

David Bowie Rebel Rebel Tab is a popular subject among guitarists and Bowie fans alike. The song "Rebel Rebel," released in 1974 as part of David Bowie's album "Diamond Dogs," has become an anthem of defiance and self-identity. The song is characterized by its catchy guitar riff, powerful lyrics, and Bowie's iconic vocal delivery. This article will delve into the song's background, its musical composition, and a detailed examination of the guitar tab for "Rebel Rebel," making it accessible for guitarists of all skill levels.

Background of "Rebel Rebel"

The Genesis of the Song

"Rebel Rebel" was written during a transformative period in Bowie's career. Emerging from the glam rock scene, Bowie was experimenting with new sounds and themes. The song reflects the youthful rebellion and freedom that characterized the early 1970s. It is widely interpreted as an anthem for the LGBTQ+ community, celebrating individuality and non-conformity.

Bowie's lyrics resonate with listeners, offering a sense of belonging and empowerment. Phrases like "You've got your mother in a whirl" and "Hot tramp, I love you so" capture a spirit of youthful abandon and desire. The song's upbeat tempo and infectious melody make it a favorite for both casual listeners and dedicated fans.

Impact and Legacy

"Rebel Rebel" has had a lasting influence on music and culture. It was one of Bowie's most commercially successful singles, reaching the top of the charts in several countries. The song has been covered by numerous artists, showcasing its enduring appeal across generations.

Bowie's influence extends beyond music; he became a cultural icon, challenging norms around gender and sexuality. "Rebel Rebel" remains a staple in LGBTQ+ pride events and has solidified its place in the canon of rock music.

Musical Composition

Structure and Chord Progression

"Rebel Rebel" is built on a simple yet effective chord progression. The song is primarily in the key of D major, featuring a repetitive structure that enhances its catchy nature. The chords primarily used

in the song are:

- D
- G
- A

The basic progression can be summarized as follows:

1. Verse: D - G - A
2. Chorus: D - G - A

This straightforward progression allows guitarists to focus on the song's signature riff and vocal lines while providing a solid harmonic foundation.

Signature Guitar Riff

The iconic guitar riff is one of the defining features of "Rebel Rebel." It is instantly recognizable and has become a hallmark of classic rock. The riff is played with a distorted electric guitar, giving it a raw and edgy sound.

To break down the riff, guitarists can follow these steps:

1. Tune the guitar to standard tuning (E A D G B e).
2. Fret the following notes:
 - Start on the 7th fret of the A string (the 5th string).
 - Play the 9th fret of the D string (the 4th string).
 - Play the 7th fret of the G string (the 3rd string).
 - Return to the 9th fret of the D string.
 - Repeat the sequence while incorporating slides and bends for added expression.

The riff captures the rebellious spirit of the song and provides an excellent opportunity for guitarists to practice their technique, including timing and dynamics.
