- Consider putting points into Energy to boost your mana pool, as Sorceresses rely heavily on their spells.

2. Farming Locations:

- The Den of Evil in the Blood Moor: This is an excellent starting area with low-level enemies that drop useful gear.
- The Cold Plains: Another great place to farm for experience and items.

3. Quests:

- Complete the quest "The Den of Evil" for a skill point.
- Finish "The Countess" quest in Act 1 for potential rune drops, which can be critical for crafting gear.
